

Allocation for Places at Redmoor Academy for September 2015

The governing body are aware there has been an unprecedented demand for school places at Redmoor Academy for next September. Although demand for places has risen in previous years, the very large increase for next September exceeded expectations.

We are currently analysing the 2015 allocation of places received from Leicestershire Authority who act on our behalf to determine the rank order of those who are offered places. They are required to use the Redmoor Academy Admissions Policy (available on this website). This will enable us to gain a better understanding of what factors have contributed to the current situation and adapt our policies and plan to meet future demand.

We are aware that a number of parents intend to appeal the decision and pursue a place for their child at Redmoor Academy.

The governing body respect and support the rights of parents and carers to secure a place for their child in the school of their choice. They will adhere to the published appeals policy and procedures.

Anyone interested in following this course of action are welcome to contact the school or visit our website where you will find information on:

- Redmoor Academy oversubscription criteria
- catchment area map
- curriculum including our enrichment activities in the sciences, Arts, sports etc.
- provision for the gifted and more able
- subjects offered at KS4
- school ethos

The school can provide you with information about the process but there are many websites that can also be useful when writing an appeal.

Appeal documentation should be sent directly to:

**Leicestershire County Council
Clerk to the Independent Appeal Panel
County Solicitor,
County Hall, Glenfield,
Leicester LE3 8RA
Fax Number: 0116 3056161**

Mrs J Hudson
Chair of governors
